## Premium Components

Our Economy Car Hauler is equipped with a Ram 2k lift capacity jack, Sealco Molded harness, Rockwell America Axles, and Radial tires.

## 12 Stake Pockets

Framing the deck are 12 stake pockets for adding temporary sides to your trailer, places to tie down and adding accessories like stake pocket D-rings and spare tire mount.

## Heavy Duty Ramps

Our heavy duty 50" ramps can adjust to the width of what you're hauling and can easily be stored behind the fenders, making it easy to load and unload equipment.
